## \$75,000 Available to Rural High School Seniors

The Foundation for Rural Service (FRS), in cooperation with the National Telecommunications Cooperative Association (NTCA), seeks to sustain and enhance the quality of life throughout Rural America by advancing an understanding of rural telecommunications issues. Through its various programs and initiatives, the Foundation strongly supports the continuing education of rural youth.

In 2012, FRS will award thirty (30) \$2,500 scholarships to rural high school seniors, one per geographic region of the NTCA membership and one to a student sponsored by a NTCA associate member. The remaining nineteen (19) awards will be distributed proportionate to the number of applications received per region. FRS will fund \$2,000 of each scholarship, with the sponsoring organization of each winning student providing a \$500 match.
